

[Siren Menage Everlasting: Erotic Futuristic Paranormal Sci-Fi Romance, M/F/M, HEA] Being given an assignment to assist royalty hadn't been high on Drake or Voloss list of things to do. Finding out the royalty they are protecting happens to be their mate makes the assignment a lot more interesting. Azure Bloom isn't anything like they'd expected, she's a whole lot more in every way. Her race has stayed hidden for centuries. Azure Bloom knows that now is the time to change that. Her abilities are needed to protect the Races from a threat no one knows exists. It won't be easy, it takes so much out of her each time, but it has to be done in order to protect everyone. Nerves will be tested, patience worn thin, and a love between mates forged as they do what they must. Azure must rely upon her mates, her warriors, if they are all to survive the coming days. A storm is brewing on the horizon, one that will push all their limits in the days to come. ** A Siren Erotic Romance
