Pushing for change can be dangerous when change starts pushing back.  Video game writer Niles River loves the work he does at Third Wave Studios: creating games with mass appeal that feature women, people of color, and LGBTQ characters. To make his job even better, his best friend is his boss and his twin brother works beside him. And they mostly agree that being on the forefront of social change is worth dealing with trollish vitriolâ€"Niles is more worried about his clingy ex and their closeted internâ€™s crush on his brother than he is about internet harassment.  But now the bodies on the ground are no longer virtual and someoneâ€™s started hand-delivering threats to Nilesâ€™s door. The vendetta against Third Wave has escalated, and to make matters worse, the investigating detective is an old flame who left Niles heartbroken for a life in the closet.  No change happens without pain, but can Niles justify continuing on with Third Wave when the cost is the blood of others? If he does, the last scene he writes may be his own death.

The Christmas Wreath (Forever Christmas Book 3), Star Trek: Prime Directive, The Djibouti Gateway, Oeuvres Completes de M. de Voltaire, Volume 30 (French Edition), The Game of Squash: 5 Easy Ways to Improve Your Game and Win More Matches,
