

Marley fantasizes about being stolen away, stripped naked, and plowed by lots of sexy men – whether she wants it or not. Too bad her prudish boyfriend, Corbin, refuses to indulge her wildest dreams. But on a trip to South America, a band of violent, horny terrorists capture them both for ransom bait. Looks like Marley will get the pounding she always wanted – and if she's lucky, Corbin just might join in! This steamy story features aggressive sex with multiple men! Contains oral, anal, spanking, and more!
