

This book which is part of a series conveying information on a variety of subjects in the style of popular youth magazines, reveals the world of pop music. Using varied presentation techniques including first and third person narratives and question and answer interviews, it draws on the experiences of stars such as Rick Astley and Climie Fisher, record producers, technicians, managers disc jockeys and musicians explaining how people make it in the business. There is advice on career opportunities and qualifications needed. The book aims to stimulate further reading and to encourage the young reader to approach a career in this industry in a positive way. Fiona Gibson has written extensively for the youth market.
