

Princess Qhora has always feared being alone, and now she is. Exiled from her Incan homeland, deprived of her dashing husband, and separated from her beloved beasts, she must gather her own allies to find a killer and free the souls of hundreds of murdered men and women. With the help of Taziri Ohanas amazing inventions, Mirari Velasquezs unshakable loyalty, and Salvator Fabriss deadly blade, Qhora unravels the mystery of the soul-stealing metal aetherium and the ancient cult of priests and assassins who not only want to rule the world, but overthrow Death itself. Welcome to a fantastical world where strange machines sail the seas and the skies, enormous prehistoric beasts roam the earth, and the restless dead whisper to the living.
